

1 Claire returns home after work.

2 Claire tries to adjust the swing arm to change the light direction toward the book, but it is too

3 Claire then tries to move the lamp but the lamp is too heavy.

**Order Reserved**

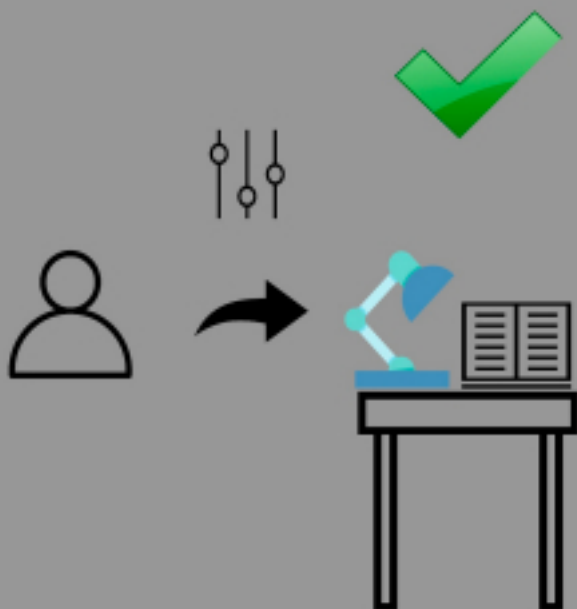

**10 pound Desk lamp  
with easily adjustable  
swing arm and  
adjustable light level  
switch**

4 Claire gives up using the desk lamp and turns on the room light but now it is too bright to read.

5 So she orders a new light desk lamp that is easy to adjust and can adjust light levels

6 The new desk lamp arrives after few days.

- 7 Now she can easily adjust the light level in her room!
